

# Qur'an Institute

Curriculum Objectives (Adults Section, 15 years and above)

## Level 1:

### Overview:

This level is dedicated to teach students the basics of reading Arabic. Students will be taught Arabic letters in their different shapes, Harakaat (diacritics) and other concepts that are needed to connect letters together to form words. At the same time, the teacher will help students read, memorize and briefly understand some of the short Surahs of the Qur'an that could be recited in Salaah.

### Curriculum Outline:

- Entire book of Al-Qaa'edah An-Nooraaniyyah
- Basic rules of Tajweed and reading (Noon and Meem Mushaddad, Huroof Al-Madd, Types of Laam, Types of Hamzah, Taa' Marbootah etc...)
- Reading/Memorization of Surat Al-Faatihah and Surat An-Naas through Surat Al-Feel. Some meanings may be taught (based on time and level of class)

## Level 2:

### Overview:

This level is dedicated to improving the reading fluency of students in reading the Qur'an from the Mus-haf. Students will spend most of the time reading different parts of the Qur'an and memorizing some more of the short Surahs. The basic reading rules that were taught in Level 1 will also be reviewed.

### Curriculum Outline:

- Practice reading from the Mus-haf by reading One Juz from Surat Al-Baqarah
- Makhaarij Al-Huroof
- Proper pronunciation of Fat-hah, Dhammah and Kasrah
- Reading/Memorization from Surat Al-Humazah through Surat Al-'Alaq. Some meanings may be taught (based on time and level of class)

## Level 3:

### Overview:

Students in this level are expected to be reasonably fluent at reading. This level will help students enhance their reading skills more. Additionally some Tajweed rules will be taught along with their implementation. Students will also read/memorize some more short Surahs from the Qur'an.
